

Ordering from Talking Shirts

Ordering is quick and easy! To start your order, we need to know the following information:

Sizes and colors

For all garment orders, provide a breakdown of adult and youth sizes. It is not necessary to order garment sizes in even dozens.

Design specifications

For custom garment orders or patch orders, you have three options. You may submit digital artwork, mail or fax a sketch, or describe the text and design elements you want in an e-mail or phone conversation.

Your order will be sent to print only after you have approved the design. After it has been sent to print, changes to the design cannot be made.

Payment

We require 50% pre-payment on all orders. We accept all major credit cards, checks, money orders or cash.
